

**Plato R-V Elementary  
Summer School Enrollment Form**

Plato Elementary will be offering a **Full STEAM Ahead** Summer School program from 8:00 a.m. to 2:30 p.m. May 29 - June 27. Any student currently enrolled in Preschool and will be Kindergarten eligible - 4th grade is welcome to join us at Plato Elementary School for an exciting, hands-on learning experience free of charge. We will be going beyond the textbook using the STEAM philosophy of incorporating Science, Technology, Engineering, Arts and Math in a project based units of study. There will also be weekly field trips to attend. This will not be your typical summer school experience! During summer school all students should follow the behavior matrix in the Elementary Handbook and practice our character words. Student participation in summer school is not required. If behavior rules are broken during the summer term, the principal can dismiss a student from summer school. If a student violates rules and must be removed from the classroom, the parent/guardian will be contacted. In the case of a second violation of the rules, a student will be dismissed from the rest of the summer school program. All students attending summer school will receive both free breakfast and lunch. Please complete this form and send back to school by Friday, March 23rd.
